

Transportation Claim

In late summer of each year we ask for information needed to file a Medicaid claim for your agency's cost for transportation services provided to students with transportation on their IEP.

When you receive our request please download a PDF copy of the CLAIM REVIEW from the ISBE Pupil Transportation Claim & Reimbursement System (PTCRS) and email it to info@tameshrs.com.

We use the following data from the report to calculate a *per diem* for your district:

1. **Number of Student Attendance Days** on the School Calendar (Line 6)
2. Number of **Special Ed. Pupils** Enrolled to be Transported (from **Transportation Other Than Regular** section) (Line 9)
3. **Total Costs** (from **Special Ed. Transportation** column) (Line 23, column C)

A request for this report will be sent to those listed in iTAMES as "Primary contact" and "Financial data contact" at about the same time ISBE requires that the report be filed with them. If you have any questions, please contact the TAMES office.

If you would prefer to print and fax the report, please send to (779) 324-5127.
